Closer to your program completion, you will be assessed and reviewed based on your collective performance in our training and internship program. Subject to the above an offer of employment will be provided to you by Accenture which will include terms of employment as well.

Leave Policy

For the purpose of this effective learning and understanding the concepts that will be provided to you in this internship, your continuous presence (through remote or otherwise as provided for by Accenture) is essential for the internship program. This can be availed post due approval by supervisor and necessary substantiation. Issues like accidents, bereavement, critical illness or emergency medical reasons may fall in this category. However, these cannot be more than the period of Internship.

In case this absence/leave extends to more than approved casual leaves, discontinuation of internship can occur at the discretion of the company. Before embarking on either of these leaves, you are expected to inform your supervisor/ reporting manager and seek their approval. Do keep your Internship Program team informed as well. Please reach out to program owners to seek any clarification on the above.
