INTRODUCTUION AND DEFINATION OF TRADITIONAL LEARING VS ONLINE LEARNING

Online learning vs. traditional learning: and the winner is...!

The debate between online learning versus traditional learning grows each year. The Corona crisis made it even more relevant, as employees in many countries were forced to work from home. So, suddenly all the learning activities had to take place online. But is it a good substitute for traditional learning? Let's have a look at the differences, similarities, and conclude who the winner is!
